

Midway Elementary

California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2016-17)

District Contact Information (School Year 2016-17)

School Description and Mission Statement (School Year 2016-17)

Welcome to Midway School, where we encourage and celebrate high academic achievement for all students. We are a small single school/district with approximately 95 students in grades Transitional Kindergarten through Eighth. We are located in Fellows, California, with a proud hard working rural community on the west end of Kern County. We have over a hundred year history with a beautiful safe campus and a reputation for high expectations of student behavior.

Midway's small-school setting allows for reduced class sizes and individualized attention for all students. Our students participate in academic, athletic, and social events with other similar small schools throughout the school year. In addition, all students participate in a variety of grade-level appropriate field trips. We also have a strong accountability program (Renaissance) that encourages all students to achieve high expectations with built in recognition and rewards: rallies, field trips, homework club and academic award assemblies.

We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. Our staff consists of one Superintendent/Principal, seven full-time teachers, one part-time RSP teacher, one District Secretary, one Maintenance and transportation Director and four classroom aides. All staff contribute to making Midway School the best that it can be through monthly In-Service meetings.

Please contact feel free to contact us for any additional information about our wonderful "small school on the hill." We always welcome visitors, parents, community members and new volunteers.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	9	7	7	7
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 1/12/2017

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

School Facility Conditions and Planned Improvements

Midway School places a strong emphasis on ensuring the safety of all students and staff members. The school's maintenance/ custodial staff of 4 keeps the facilities in compliance with all federal and state health and safety regulations. The TK-8 campus is currently comprised of 8 classrooms, one staff room, library, auditorium, Gym , fitness center, computer lab, and two playgrounds. The chart below displays the results of the most recent school facilities inspection.

Midway School has also been recently been modernized and is mostly is good repair. We are currently looking for projects that we can do within our budget to complete projects that were not included in modernization project. Prop 39 has passed and that will give us a money flow for 5 years. Midway School will come up with a plan that has to do with conservation of energy, Insulation, sealing cracks and changing to new light bulbs will be a part of that plan.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	31.0%	56.0%	31.0%	56.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	31.0%	40.0%	31.0%	40.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/13/2017

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2015-16)****ELA - Grade 3**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	12	12	100.0%	50.0%
Male	7	7	100.0%	54.0%
Female	5	5	100.0%	58.0%
Black or African American	0	0	0.0%	0.0%
American Indian or Alaska Native	0	0	0.0%	0.0%
Asian	0	0	0.0%	0.0%
Filipino	0	0	0.0%	--
Hispanic or Latino	--	--	--	--
Native Hawaiian or Pacific Islander	--	--	0.0%	0.0%
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Students with Disabilities	--	--	--	--
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2016-17)

Parents and the community are very supportive of the education program at Midway School. Parents volunteer in classrooms, for special events, fund-raisers, and field trips as chaperones. Parents can participate in various school/district committees such as School Site Council (SSC), Renaissance Program, and our local parent group that oversee and support many of our special events through out the year.

Parents may also participate in a variety of school activities such as Back-To-School Night, Open House, Parent-Teacher Conferences, Awards Assemblies, Extra-Curricular, Athletic Events, Fall Carnival, and Christmas Program.

The school informs parents of student progress through our on-line grading system (Jupiter Ed), Progress Reports, Report Cards, Parent Conferences requested by parents or teachers, Teacher/Principal letters, and Telephone calls.

School Safety Plan (School Year 2016-17)

A comprehensive school safety plan is in place to ensure a secure, peaceful, and clean environment for the school community. The plan is reviewed each fall by the Safety Committee, which consists of the Superintendent, parents, maintenance/custodial staff, and selected school staff. The school's disaster preparedness plan identifies procedures to follow during emergencies and natural disasters. Emergency drills, including fire, earthquake, and intruder are conducted monthly. We have an automated system (School Messenger) that can alert all parents of emergencies. Faculty members, administrators, and yard duty monitors are responsible for supervising students before and after school, at recess and during lunch. All visitors are required to check in and sign out at the office and wear a badge at all times.

Professional Development

Staff members build teaching skills and concepts through participation in conferences, workshops, and monthly In-service collaboration throughout the year. For the past three years, the district offered three full day staff development days and 13 part day staff development days annually where teachers are offered a broad based variety of professional growth opportunities in curriculum, teaching strategies, and class management. Teachers also have the opportunity to participate in out of district professional development throughout the school year. Topics for staff development for 2015-16 school year included:

- Professional Learning Communities at Work
- Explicit Instruction to Maximize Student Learning
- LCAP plan development
- Bullying Prevention
- Smarter Balanced Assessment
- Early Literacy
- Accelerated Reader training
