Welcome to the Midway Elementary School District Board Meeting. Members of the public shall have an opportunity to address the Board of Trustees either before or during the Board's consideration of each item of business to be discussed at regular or special board meeting, including closed session items. In addition, with limited exceptions, the Board will provide an opportunity to address the Board on any other item of interest which is within the subject matter jurisdiction of the District. Please fill out a card that is located on the front table in the Board Room prior to the meeting. In order to efficiently manage the business of the Board, the Board President may limit the amount of time allocated for public testimony for each individual speaker to 3 minutes, and to limit the total time allocated on a particular issue to 20 minutes, pursuant to Board policy. You will then be allowed, at the Board President's discretion to address your item during the **HEARING OF THE PUBLIC ON MATTERS OTHER THAN THOSE ON THE AGENDA** portion of the agenda.

Any materials required by law to be made available to the public prior to a meeting of the Board of Trustees of the Midway School District can be inspected at the above address during normal business hours.

For information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation to participate in the public meeting, please contact the Superintendent.
