Superintendent

Mr. Al Quezada

Dear Parent/Guardian,

After consultation with the Kern County Department of Public Health, and the other 46 Kern County School Districts and the Kern County Superintendent of Schools, Midway School District will follow the recommendation of Governor Gavin Newsom, and complete the 2019-20 school year utilizing alternative teaching methodologies, including online distance learning. This is part of a concerted effort to limit the community spread of COVID-19 and address the important continued safety of our students.

We understand how challenging this decision is for our families and we appreciate your support, dedication and patience. We are very grateful for all that our students, parents and staff are doing to support safety, continuity of education and addressing the nutritional needs of our students during school closures.

In the coming days and weeks, districts will receive clarity regarding how grades, graduation, continued distance learning instruction, and a myriad of other issues will be addressed. We will communicate that information to you as soon as it becomes available.

Extended School Closure Timeline

Midway School District will remain physically closed through the current 2019-20 school year, in response to the COVID-19 emergency. Teachers, students and staff will continue to work remotely to provide distance learning and other critical services.

This is a dynamic situation where information and circumstances can evolve quickly. We are grateful to you and our entire school community for your tremendous care, collaboration, and understanding during these challenging times.

Sincerely,

Al Quezada
Superintendent
